Thank you for your interest in one of our puppies or adult dogs. We will review this application, and get back with you about the next steps, if we feel you would be a good match for one of our puppies or adult dogs.

If adopting an adult dog, please be aware that our adoption process is not quick. After this form is reviewed and accepted, we will then schedule a meeting with us and the dog/dogs you are interested in, and at that time any questions can be answered. Next will be the "think it over" period which we require minimum of 3 days, and you are welcome to come back for another visit within that time. This insures us that it is not a rush decision in adopting a dog. If after the 3 day period, you would still like to adopt the dog, a complete vet exam will be done at that time and will include a signed form from vet. Upon pick up of your new dog, an Adult Dog Purchase Agreement must be completed and signed, and adoption fee is due, cash only. We have the right at anytime to refuse an adoption. There may also be more than one party interested in the same dog, that dog will be placed in the home we see best fit for that dog.

Our goal is to find the best, loving, forever homes for our dogs!

By signing below you signify that you clearly understand and accept the above terms and conditions and have truthfully completed the puppy application form.
